

RENDEZVOUS WITH MADNESS FESTIVAL

10-20 OCTOBER 2019

DEAD END STUDIO

7 FRASER AVE # 13 (CLOSEST INTERSECTION IS LIBERTY STREET AND FRASER AVE)

This venue is wheelchair accessible

Dead End Studio is located at 7 Fraser Ave, #13. The building is on the northeast corner of Fraser Ave, where it turns left.

To find this tricky-to-find venue, travel south on Fraser Avenue from King Street West all the way to the bottom. You will see a bit white building on the right hand (west) side, that looks like the photo below.

On the opposite side of the street is an alleyway marked with a sign that looks like the photo below.

Follow the signs for Dead End Studio to the end of the alley and look for the door pictured below.

Once you're in the door, you will follow a long hallway all the way to studio # 13. The directory pictured below shows you the path of the hallway.

The box office will be located in the hallway outside of the studio doors. Congratulate yourself on finding this diamond-in-the-rough venue!

The held space will most likely be in hallway beside bathrooms, about 100ft from theatre door and around two corners from the entrance and can be recognized by signage, a table and chairs, and the presence of the active listener, who will be wearing a staff badge.

The washroom has a stall (far right facing in) large enough for a wheelchair but no grab bars and no powered door.
