

**TORONTO MEDIA ARTS CENTRE (EXHIBITION VENUE)
32 LISGAR STREET (CLOSEST INTERSECTION IS QUEEN AND LISGAR)
*This venue is wheelchair accessible***

The Toronto Media Arts Centre is located at 32 Lisgar Street. The main entrance can be a bit tricky to find your first time here. It is not directly off Lisgar, but on the **north side of the building facing the park**. The doors are east of the main condo entrance for 36 Lisgar. From Sudbury and Lisgar, head towards Queen Street until you are at the front of the condo building.

The main entrance is on the north side of the building, opening up onto Lisgar Park. The park is accessible from all sides via gently sloping ramp, but is mostly level with the sidewalk. The park is mostly flat, obstacle-free concrete. However, snow/ice accumulation may affect this.

The main entrance to the building features three sets of doors. The far left doors will be unlocked during any scheduled event. All of the doors open by pushing inward, not pulling. The doors are not powered. During events they are often propped. If you require assistance with the door, please let us know ahead of time and we will meet you. **If you encounter any issues once you've arrived, please call or text (647) 689-6005 and someone will be happy to meet you.**

All events and offices are located on the second and third floors, accessible via an elevator just inside the entrance. Interior galleries and event spaces are barrier-free.

The ground floor washroom and toilet are wheelchair accessible. There is a private accessible washroom on the second floor next to the all-gender washroom, and two accessible stalls in the shared washroom. All washrooms use scent-free soap, and all guests are encouraged to attend events scent-free.

There will be a held space with active listener during all Being Scene public events. To access the held space, look for "Held Space" signage and the presence of the active listener, who will be wearing a button labeled "Active Listener." If you're having trouble locating the held space, ask one of our Being Scene volunteers on-site.
